

About AccuFund

Since 2001, our passion is helping you help others.

AccuFund is 100% focused on serving nonprofits and government entities. Our complete fund accounting financial management solution – available online or onsite – consists of a strong core system and modules that allow you to expand as your needs evolve. The ability to adapt to changing environments has never been greater and AccuFund makes it easy.

Founded in 2001 by Gordon Holfelder and Peter Stam, AccuFund has been at the forefront of innovation for nonprofit, endowment, representative payee and government organizations. We are a leader in fund accounting, cloud technology, document management, payroll, reporting, and visualization.

As of January 2023, AccuFund is now a subsidiary of i3 Verticals. i3 Verticals is a publicly traded company specializing in local government, nonprofit, education, healthcare, and more. AccuFund brings a high-quality accounting solution to their portfolio and complements their existing solutions. As a subsidiary, AccuFund will continue to operate as it has in the past; focusing on product development and helping our clients meet their evolving needs.

AccuFund is based in Castle Rock, Colorado. Our employees and value-added resellers are guided by their deep desire to help others; with experience rich in fund accounting, nonprofit governance, and local government.
