Virtual Training Sessions for AccuFund Anywhere Customers

AccuFund is excited to announce new Anywhere virtual training for 2025. The courses are web-based training programs for new and current Anywhere users. All classes include a lecture and then live-labs to perform the tasks covered. Each day is scheduled for five hours (10:00 AM to 3:00 PM MDT). Register for one or more classes, with a discount offered for attending all three courses. Registrants will receive login information prior to the training. Registration deadline is April 7, 2025**.**

New User Training
Monday, April 14, 2025
This virtual session provides an overview of Anywhere; how to navigate screens, views, run reports and move around the system. The following topics will also be covered; Accounts, Journal Entries, Banks and Cash Receipts. $199 per person.
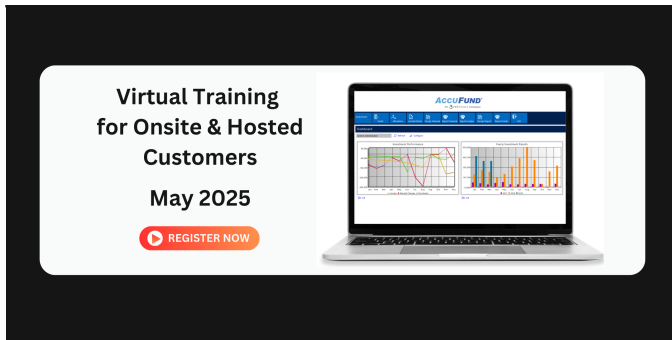

Payroll Training
Tuesday, April 15, 2025
This virtual session reviews basic payroll setup and configuration, employee setup and maintenance, time entry and check processing. Note: This session does NOT cover any employee web portal components. $199 per person.

Financial Report Writer Training
Wednesday and Thursday, April 16 & 17, 2025
This virtual session covers the essentials of financial reporting, including financial statements, periodic activities and an introduction to the use of report classifications. - This is a 2-day class. $299 per person.
