AccuFund Partners with Brisbane Consulting Group to Deliver the AccuFund Accounting Suite to New York Area Nonprofits

Needham, MA – September 16 , 2013 – [AccuFund](#), Inc., provider of financial reporting and accounting software for non-profit, municipal and government organizations, today announced a reseller agreement with Brisbane Consulting Group, a provider of specialty technology services to nonprofit organizations. Brisbane Consulting Group will offer the [AccuFund Accounting Suite](#) and [AccuFund Anywhere](#) to its nonprofit clients located in New York, eastern Ohio and northern Pennsylvania, providing complete product implementation, training and support.

“AccuFund is the only vendor to offer a truly browser-based accounting solution dedicated to nonprofits, which is exactly the solution we need for our nonprofit clients,” said Matthew A. McDonald, Director of Nonprofit Solutions Division at Brisbane Consulting Group. “AccuFund is a growing company with great management and very satisfied customers. We see them playing a key role as we continue to grow our practice.”

“Brisbane has a long history of understanding nonprofit organizations' needs and providing its customers with excellent solutions and ongoing services,” stated Peter Stam, president of AccuFund, Inc. “We need a powerful solutions provider to partner with us in bringing the AccuFund Accounting Suite to nonprofits in the New York region. With its impressive client retention and the highest level of client satisfaction in the nonprofit industry, Brisbane is the preeminent choice.”

About Brisbane Consulting Group

A wholly-owned subsidiary of Lumsden & McCormick, LLP, certified public accountants, Brisbane Consulting Group was formed in 1996 to provide the technical proficiency as well as the accounting expertise that's critical to solving the specific challenges of nonprofit organizations. Brisbane Consulting Group will manage a client's entire technology implementation project, from evaluating needs and determining objectives to recommending and installing a system and training employees, and accomplish it all within budget parameters. Brisbane Consulting Group has offices in Buffalo and Garden City, New York, serving nonprofits across New York state and the surrounding region.

About AccuFund

AccuFund, Inc. provides scalable accounting software systems to nonprofit organizations and government agencies. The AccuFund Anywhere and AccuFund Accounting Suite fulfill the market's need for an accounting solution that is more sophisticated than off-the-shelf products,

yet much less expensive, complex and difficult to use than the higher end offerings. AccuFund's products are available exclusively through Value Added Resellers (VARs) located throughout the United States. The VARs provide AccuFund's customers with cost-effective onsite training and installation assistance.
